

DECLARATION OF CONFORMITY WITH REGULATION EU 2019/1021

The Regulation (EU) No. 2019/1021 on persistent organic pollutants aims to protect human health and the environment by eliminating or restricting the manufacture and use of persistent organic pollutants (POPs), as defined by the Stockholm Convention on Persistent Organic Pollutants and in the Protocol on Persistent Organic Pollutants to the 1979 Convention on Long-Range Transboundary Air Pollution.

The Regulation (EU) 2019/1021 follows this objective by prohibiting, phasing out as soon as possible, or restricting the manufacturing, placing on the market and use of substances subject to the Stockholm convention on Persistent Organic Pollutants, by minimizing releases of such substances, and by establishing provisions regarding waste consisting of containing or contaminated by any of those substances.

Last update of Persistent Organic Pollutants list was on 25 September 2025.

Hereby, the company TCI TELECOMUNICAZIONI ITALIA S.R.L., based on our production process and information received from our raw material suppliers, declares that no substance among those included in Annexes I, II, III, IV of the above regulation is present in TCI products.

Hereby, the company TCI TELECOMUNICAZIONI ITALIA S.R.L. declares that the products, manufactured and placed on the market, comply with the Regulation EU 2019/1021.
